I have read the Conditions of Sale and understand that the cash discount does not apply to my purchases. I understand that if I enter a payment amount on this form that includes the cash discount and if the invoice I received includes the cash discount, now paying by credit card voids that cash discount. I understand that my invoice will be recalculated at a buyer's premium of 22% and that amount will be charged to my credit card as per the Conditions of Sale. I agree to pay the total amount due according to the cardholder agreement.
